

Make a galgo finger puppet

CUT OUT

You will need:

Printable paper

Scissors

Pencils

Glue Stick

Instructions:

1. Print out the galgo pictures.
2. Create your own galgo and cut out galgos and rectangles.
3. Apply glue on one end of a rectangular piece.
4. Flip the rectangle and apply glue on the opposite end of the rectangle.
5. Wrap the rectangular piece around your index finger.
6. Press on the edge to glue the piece in place.
7. Glue the galgos onto the rolled piece.
